TESTIMONIALS

"Thank you for a calming influence on our big day! The car (and driver) were perfect and the bubbles much appreciated!"

Mr & Mrs Johnson, via Postcard

"MBE are fantastic! They came to our rescue for our wedding day and were perfect in every way! If you're looking for someone who's on time, friendly and offers a professional service, then look no further! Their car is absolutely stunning and they will even personalise it with ribbons of your choice. I would use MBE again without a doubt!"

Mr & Mrs Newton, via Facebook

"Now that we have returned home and the dust has settled after the excitement of our daughter's wedding, this is just a brief note to thank you for being there so promptly and for beating the horrendous traffic that day. We have been impressed from start to finish with our dealings with you and appreciate the timely updates and courteous service. We wouldn't hesitate to recommend you to others or to use you again should the need arise"
